Letter no M 3 C 2038 Dy 14 6 30 Deshiroaga Reports that Rs 14 3 0 towards Railway freight of forms & books to Markets sent by the Sanitary Dept has been paid out in excess & requires how the charge has to be met.

Under G.O no K 6248 Dy 6-8-28 - 17 C Dy 23 3 29, the DC has (evidently) to recoup a corresponding amount of the forms etc (for which in the Secretariat Govt Printing was) sent the whole lot to the D Com. office where the freight charges have been paid this might have been avoided if the DC had instructed the Press to send the forms etc to the Markets direct who would have paid the freight charges (as a separate case) respectively. As it is, the amount paid by the Dy Com. office (on account of) will have to be charged to the Agra Central Services (or to the Markets concerned) and refunded

It the Govt concerned States that the books of forms were sent to his office these should have been sent to the Local offices concerned and not this is what the Supdt Govt Printing should be done as per para 2 of his letter no 7959 of 12-2-29 The charge now paid is due to the mistake committed in the Press The Supdt, Govt Press may be asked to explain why the procedure indicated in his letter 912-21 was not observed and whether he were aware the charges from the Press Budget estimates he considers that the amount may be recovered from the officer responsible for the mistake

8) The Forms and Registers which certainly have been sent to the several municipalities of the quantities to be sent to each municipality has been indicated in the consolidated indent. It will be seen from the Indent of the Deputy Commissioner which is put up in the file (to be kept returned when no longer required) that no such information is furnished. Hence the Press has no other alternative but to send to quantities mentioned in the indent to the office of the Deputy Commissioner himself. The charges therefore will have to be borne by the Deputy Commissioner's office and not by the Press
